

Dear guests,

Welcome to the Conditorei Sluka. Since 1891, we have been cultivating and living the high art of confectionery at our ancestral home in the Conditorei Sluka on Rathausplatz.

The success and popularity with our customers from near and far prompted us to convince guests of our craftsmanship and hospitality at a second location in 2017.

That is why we are especially pleased to welcome you to Kärntner Straße. All of our sweet and savory specialties are made exclusively by hand with the finest craftsmanship, attention to detail and without artificial flavors and preservatives.

The use of the best raw materials and the use of fresh, seasonally available products guarantees a consistently high quality.

We wish you a pleasant stay.
